and produced in the manufacturing plant(s) Tolna

These products are submitted by the manufacturer to a factory production control.

Kiwa GmbH TBU, Greven, Germany, has performed the initial inspection of the factory and of the factory production control and performs a voluntary continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control were applied.

The voluntary surveillance follows the basics of the questionnaire “CEN TC189 WG1 N224” for checking the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control and the relevant provisions concerning the requirements towards the reinforcement as component of an ETICS (External Thermal Insulation Composite System) kit with rendering being covered by a European Technical Approval described in the Guideline for European Technical Approvals

ETAG 004

were applied.

This certificate was first issued on 07.11.2013 and remains valid as long as the technical conditions or manufacturing conditions in the factory or the FPC itself are not modified significantly or it is withdrawn by the certification body.
